

# PICKLEBALL CLASSES

## WHERE:

### 1. The Vancouver Parks Board Community Centres

<https://vancouver.ca/parks-recreation-culture/facilities-and-schedules.aspx>

Click the link and then go to: "Register for Activities".

Then simply enter "Pickleball" in the search line. You can narrow down the choices by choosing which Community Centres you want to go to. There may be multiple pages of listings, as many venues currently require registration on a daily basis for Pickleball court rentals.

Note: Each Community Centre has different registration dates.

### 2. Wesbrook Community Centre (via the University Neighborhood Association)

<https://www.myuna.ca/programs>

All of the teaching in Vancouver is done by our local coaches at the Vancouver Community Centres under the Vancouver Parks Board or at the Wesbrook Community Centre under the University Neighborhood Association.

Unfortunately, no private lessons are allowed on our Public Courts.

We will soon be doing monthly features on each of the Coaches that are part of the VPA. The first one will be posted on April the 29<sup>th</sup> and will feature Catalin Costea.

Of note is that there are **NEW YOUTH CLASSES** available at the Hillcrest Community Centre. These are broken into two age groups: 10 -14 year olds and 15 to 18 year olds. They start soon on April 11<sup>th</sup>. Register now.

Hillcrest Community Centre currently offers outdoor classes at Queen Elizabeth Park.
